

White Collar Hippy Festival Campsite

The Nariyal Paani team is excited to announce White Collar Hippy as their official camping partner for Nariyal Paani 2016.

White Collar Hippy is a group of travel aficionados who bring you incredible, off-beat journeys to the places they love... And they love outdoor festivals! They believe that festivals are a perfect excuse to travel, discover a new place, meet new people, explore new sounds and reconnect with the outdoors.

These festival gypsies travel from festival to festival, campsite in tow, setting up home by a bonfire under the stars! This time around they will be setting up camp in a coconut grove to provide an even more immersive experience for Nariyal Paani festival-goers.

Other than comfortable tents and sleeping bags, the campsite will be equipped with a leisure zone to unwind, hammocks to relax and have fun. Come evening, a BBQ will be set-up by the bonfire.

And of course the party never stops at the White Collar Hippy campsite – so bring your instruments along to jam with a whole bunch of new friends.

THE FRIDAY NIGHT: For all those who are eager to leave the city behind sooner, we promise to make Friday night a lovely evening of great performances by the fire.
